

14 DAY SAFARI EXPERIENCE

- Day 1**
Arrive at Entebbe airport. Accommodation: Lake Victoria View Guest House. Bed & Breakfast
- Day 2**
Break the journey to Murchison Falls National park with a stopover at Ziwa Rhino Sanctuary for the Rhino experience. These are white Rhinos and can be seen in a short distance on foot with a ranger. You will reach the park in the evening. Accommodation: Fort Murchison (2 nights). Bed & Breakfast
- Day 3**
Wake up for an early morning game drive to view wild life. View the Rothschild's giraffes, series of antelopes including the Uganda Cobs, elephants, buffaloes, lions, leopards, warthogs, hyenas, to mention but a few. The afternoon boat ride to the gigantic Murchison Falls also includes the experience of a short nature walk to the top of the same falls.
- Day 4**
As you drive southwards towards Kibale Forest National Park, you will not miss the beautiful landscape, passing through small towns with fully active people. Kibale Forest National park is the home of Chimpanzees in addition to other 12 primate species like the red-tail monkey, blue monkey, and black-and-white colobus monkeys, among others. Make stopovers for pictures of the landscape. Accommodation: Kibale Forest Camp (2 nights). Bed & Breakfast
- Day 5**
The Chimpanzee experience awaits you early in the morning. Though living in the wild, some chimpanzee families are used to humans. A ranger will take you through this wonderful tracking experience in the forest. The afternoon Bigodi Wetland Sanctuary Experience is full of primates, birds and plant life.
- Day 6**
Drive more southwest towards Queen Elizabeth National park and have an evening game drive to view more nature and wild life. This park is the second largest in Uganda after Murchison Falls NP and is known for big herds of elephants along the Kazinga Channel. Accommodation: Bush Lodge (2 nights) Bed & Breakfast
- Day 7**
Wake up early in the morning for another game drive to view Uganda cobs, elephants, lions and leopards (based on luck), hippos, buffaloes, warthogs and different bird species. The afternoon boat ride on Kazinga Channel is among the highlights of this trip with its different bird species, crocodiles, buffaloes, and waterbucks, elephants coming to assuage their thirst, schools of hippos and a village of fishermen at the park boundary.
- Day 8**
As you drive to Bwindi Impenetrable National Park, chances of seeing the tree-climbing lions in the Ishasha sector of Queen Elizabeth National Park are high (This depends on where Gorilla tracking will take place). Accommodation: Rushaga Gorilla Camp/ Buhoma Community Rest Camp (2 nights). Bed & Breakfast
- Day 9**
The Gorilla experience day is here. After breakfast, you are briefed on how to behave when with the Gorillas by a ranger. Dressed properly with hiking shoes, you set off with a ranger to the place where the trackers have located the amazing apes. You can also hire a porter at a small fee to help carrying your rucksack for ease of movement. Meeting the Gorillas is an amazing experience. Since we are all different, our reactions will also vary. But trust me; it is a wonderful one hour experience. Relax in the afternoon.
- Day 10**
Drive to Lake Bunyonyi in Kabale while viewing the beautiful landscape making it worthwhile to make several stopovers for pictures. This place is called the 'Switzerland of Africa' because of its idyllic hills. The lake, with its 29 Islands, is said to be the second deepest in Africa. A boat ride around some of these Islands is worth the experience. See how people use canoes as transport from one Island to another. Accommodation: Bird's Nest Resort. Bed & Breakfast
- Day 11**
This day's journey will lead you to Lake Mburo National Park, the second smallest national park in Uganda. This is where you will see big herds of plains zebras and Impalas. The rare and shy Elands live in this park. Bushbucks can be seen standing majestically on termite mounds. You will also get another chance to see the Rothschild's giraffes introduced from Murchison Falls National Park. Accommodation: Rwakobo Rock (2 nights). Breakfast, Lunch & Dinner

Day 12

Enjoy the morning cool breeze in the early morning nature walk with a ranger. Here, you will experience nature and wildlife on foot. Imagine observing animals without noise from the car engine! On the afternoon boat ride, you will see hippos and crocodiles, and the African fish eagles among other bird species. The Vervet monkey is not a rarity here.

Day 13

Drive back to Entebbe with a stopover at the equator for a water experiment and craft shops. Accommodation: Lake Victoria View Guest House. Bed and Breakfast

Day 14

Visit the Botanical Gardens in Entebbe rich with its tree species and plant life. The guide will also show you where the first movie 'Tarzan' was acted from. After dinner, continue to the airport to catch your flight.
